

**From Michael**

Dear Uncle Butch and Aunt Aileen,

Mini and I were both saddened by the news of Nana's passing this past weekend. We sat together Sunday afternoon, and said a few prayers, and I shared some of my memories with Mini.

Mini never knew Nana, and it had been around 20 years since I had seen her last. The one thing that I won't forget about her was her strong will, and even stronger heart. As you both know, as Baha'is, Mini and I believe that she has moved on to the next world, and is happier now that she has left her physical garment.

We love and miss all of you very much (Keith and Andrea, too).

With loving prayers,

Michael and Mirtha Mohajeri
